## WORK EXPERIENCE

### Game Domain (November 30, 2019 - April 29, 2020)

Freelance video editor

Made video thumbnails, titles, description as well as the video itself for a semi-popular youtube channel by the name of Game domain. My duties also included finding stock footage, images and sounds to add to the videos and make sure that they are royalty free and the channel can legally use them.

### IF insurance (January 31, 2022 - May 30, 2022)

Junior .net developer

Attended IF junior developer school and passed with a job offer, which later fell through due to the companies budget cuts.

### Latvias National Theatre (July 31, 2021 - January 30, 2022)

Wardrobe supervisor

Worked in a wardrobe in Latvias National Theatre as the wardrobe supervisor.

### Pirmā programmēšanas skola (May 10, 2022 - Present)

Programming teacher

did 2 months of internship and got a job offer as a programming teacher, where I teach kids of different ages ( 5 - 17 ) such programming languages as: C++ , C# , Python , scratch.
